

The Singapore Corporate Counsel Association is extremely excited to be having our inaugural women's summit for female corporate counsel which will be held at the luxurious One Degree Fifteen, Sentosa Cove on 15 March 2017.

The program has been carefully curated and will focus on how women in-housers should live life to the fullest and have an amazing work life balance. This event will be held in conjunction with the International Women's Day. In line with IWD's 2017 theme "Be Bold for Change", we will focus on the next decade's challenges and how we can positively prepare ourselves.

Given the topic, theme and the intended audience, the summit will be graced by distinguished and inspirational leaders from diverse backgrounds, addressing what to expect from the next decade to these ladies.

An opportunity to network, reflect, relax and be empowered.

In Conjunction with International Women's Day
WOMEN IN-HOUSE LIVING LIFE

AT LAZARUS ISLAND

WAYS TO BE RESILIENT THROUGH TAI CHI

Learn how to build resilience through the various principles of relaxation, correct breathing and energy flow through the practice of empty hand form and push hands play. We often juggle many hats and these useful exercises will assist on days you'll need to counter stress

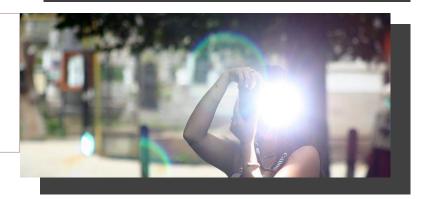

PERSONAL BRANDING WORKSHOP

Identify and reaffirm your personal strengths, goal and visions, and learn how to brand yourself better to stay relevant in the face of challenges as we approach the next decade. A combination of self-realisation exercises and outdoor hands-on activities to create a personalised brand will be facilitated.

PROFILE SHOOT

Show off your new personality and bring it to the lens. Learn skills for profile posing and how to bring elements of personal branding into a photograph.
